

THE PRESS RELEASE

The competitive environment in constant change needs to do more and more critical mass.

The consolidation with another important reality of the Activated Carbon which **FUJAN YUANLI ACTIVE CARBON** sector, represents an opportunity that ensures the expansion of the presence on the E.U. market **FUJAN YUANLI ACTIVE CARBON** and **CARBONITALIA** products.

CARBONITALIA will take advantage of its marketing strength and focus on the core business namely the use of highly pure **ACTIVED CARBON** for the improvement and safety of foodstuffs intended for human use.

FUJAN YUANLI ACTIVE CARBON will supply more diversified products based on **CARBONITALIA**'s marketing feedback by taking its advantages of innovation and production in a sustainable way.
